**Important Printing Tip**  
For correct alignment of ID card fields, make sure the **Page Scaling** setting in Adobe Acrobat is set to **None**.

The screenshot shows the Adobe Acrobat Print dialog box. The 'Page Scaling' dropdown menu is highlighted with a red box and a red arrow, and it is set to 'None'. The dialog box also shows the printer name, page range, and other printing options.

Please note: player pictures must be uploaded before cards can be printed.
